A) Ref: G.O. No. 412 Revenue dated 14-2-1935.

-- 1937

An estimate for Rs.920/- for the cutting of berms, at Government cost in respect of the Hagari spring channel at Rupanagudi village of Bellary taluk is submitted. The work involved is too much for the ryots to bear its cost and they are therefore unable to do the work under customary labour. The ryots have executed an agreement and are willing to maintain the berms in good

condition by kudimaramat labour, if they are once cut at Government cost.

I request that the estimate may be sanctioned and the expenditure ordered to be met from minor irrigation funds.
